

Renewing License Plates While Living Out-of-State

Missouri license plates may be renewed up to six months before expiration and must be renewed by the last day of the expiration month. While living out-of-state, there are three convenient renewal options:

- **Phone:** Call 573-751-1957 to see if you are eligible to renew over the phone. This service is available Monday-Friday, 8 a.m. to 4:30 p.m.;

- **Mail:** You may [renew by mail](#) following the instructions on your Vehicle Registration Renewal Notice.

REQUIRED DOCUMENTS:

- An *Application for Motor Vehicle License (Form 184)*.
 - You must record your license plate number and complete the Vehicle Out of State section of the form, which indicates that you must have your vehicle inspected for [safety](#) and/or [emissions](#) within ten days after returning to the state of Missouri, if applicable;
 - You must sign this form to certify that you have and will keep financial responsibility/liability insurance on each vehicle that you own, license or operate.
 - If you wish to have your registration documents and receipt mailed to your out-of-state address, record "Mail To" in the remarks section of the application and indicates the out-of-state address.

 - The law allows you to make donations the following funds:

You may be able to register your vehicle for a period of two years. Please see the following page for more information on eligibility.

2-YEAR (BIENNIAL) VEHICLE REGISTRATION:

Odd-numbered model year vehicles may obtain a 2-year registration in an *odd* calendar year. *Even-numbered* model year vehicles may obtain a 2-year registration in an *even* calendar year.

You may obtain a 2-year registration, when your vehicle qualifies, at the time you purchase new license plates, transfer your current license plates, or renew your current license plates.

You cannot obtain a 2-year registration for the following:

- A commercial vehicle licensed for more than 54,000 pounds;
- Vehicles that have fleet plates; or
- A trailer.

WHAT ARE THE FEES FOR A 2-YEAR REGISTRATION?

Although your license fees ([Motor Vehicle Fees](#)) and the processing fees double when you register your vehicle, you only pay these fees every two years.

- A \$9 processing fee is due on a 1-year registration *or* a \$18 processing fee due on a 2-year registration.

WHAT ABOUT MY SPECIAL/PERSONALIZED LICENSE PLATES?

In addition to any other standard registration fees, the cost is \$15 for a 1-year registration *or* \$30 if you choose a 2-year registration, when eligible. All special plates that require a minimum donation to a college or organization require *double* the required amount and submission of the Emblem Use Authorization Statement (EUAS) receipt. *For example, if the minimum donation is \$25 for a 1-year registration, \$50 is the required minimum donation for a 2-year registration.*
